NOTE: The School of Computing was a department in a Special Division until becoming the School of Computer and Information Sciences in Fall 1982. The School was renamed School of Computing in Summer 2012.

\* In Fall 1998, the University changed from the quarter to the semester system.

\*\* In Fall 2003, the Banner Student Information System started.

\*\*\* In Fall 2008, CIS specializations became degree majors.

# Other Specializations included Scientific Applications, Educational Applications, and Computer Systems Design.

## Starting Fall 2002, Information Science specializations changed to Information Systems specializations.

### Starting Fall 2003, Computer and Information Sciences & General Studies includes Undeclared majors.
