

**School of Computing
Process Technology
Lecturer Position**

The University of South Alabama School of Computing invites applications for a full-time (12-month), non-tenure-track Lecturer position in Process Technology, starting as early as January 1, 2024. A Master's degree in a closely related field is preferred, but an Associate's degree in Applied Science or a closely related degree at the time of appointment along with significant experience teaching Process Technology and as a Control Room Operator may be substituted. Preference will be given to applicants with teaching experience for NAPTA-certified courses and at least three years of teaching experience. The candidate selected for this position must meet eligibility requirements to work legally in the United States.

To apply, send a cover letter of interest, current curriculum vitae, and a one-page statement of teaching philosophy to the Search Committee Chairperson, Mr. Steven Duff, at the following email address: sduff@southalabama.edu. Short-listed candidates will be asked to arrange to for three letters of recommendation with original signatures to be sent to Mr. Duff at the same email address.

Applicants selected for an on-campus interview must also arrange to have all official transcripts sent to Mr. Duff from all colleges and/or universities attended at either the email address above or the mailing address below:

Mr. Steven Duff
SHEC 2101
150 Student Services Drive
Mobile, AL 36688-0002

Review of applications will begin immediately and will continue until the position is filled.
