The purpose of the *Affidavit of Financial Support* is to help the University of South Alabama obtain complete and accurate information about the funds available to F-1 student applicants who wish to study at the University. Strict government regulations require the University of South Alabama to verify the financial resources of each international applicant prior to issuance of an I-20.

Graduate fees are based on 6 credit hours per Fall/Spring semesters. Students with majors not in the College of Arts & Sciences should visit <a href="https://www.southalabama.edu/bulletin/current/tuition-and-fees/index.html">https://www.southalabama.edu/bulletin/current/tuition-and-fees/index.html</a> for the tuition price per course of their College. Students must have a plan to support themselves during their entire length of study. All fees are based on estimated costs and are subject to change at any time. On-campus employment is not guaranteed and should not be seen as a significant means of support while at the University. Living expenses are estimated based on the cost of on-campus accommodations and meal plan expenses.

Arrangements should be made to have funds available at the time of registration for each semester. Payment of fees is due on the day of class registration. If requesting the addition of dependents (spouse/child), include an additional \$5,000 per dependent.
